Where Care Comes First

Professional Care. Personal Support. Delivered with Dignity.

Eurasia Healthcare provides reliable home and community care across the UK, helping individuals live safely and independently.

We offer personalised services — including **Live-In Care, Home Visits, Overnight Support, Dementia & Palliative Care, Mobility Help, Companionship, Domestic Support and Couple Care.**

OUR COMPLETE RANGE OF SERVICES

Comprehensive UK-Standard Home Care Services

Home & Domiciliary Care

Regular scheduled visits to assist with personal care, hygiene, medication support, meal preparation and day-to-day activities.

Live-In Care

24/7 continuous support by a dedicated caregiver, enabling clients to stay safe and comfortable in their own home.

Overnight Care

Night-time assistance for clients who require regular monitoring, mobility help, toileting assistance or safety supervision during the night.

Supporting Couples

Tailored care plans designed to support two partners living in the same home – ensuring continuity, comfort and cost-efficient care for couples.

Domestic Care

Support with everyday household tasks including cleaning, laundry, ironing, shopping, meal preparation and home organisation.

Companionship Care

Friendly support that reduces loneliness through conversation, social interaction and simple daily activities.

Specialised Care Services

Dementia Care

Structured, patient and safe support for individuals living with dementia – focusing on memory care, routine stability, reassurance and safety.

Palliative & End-of-Life Care

Compassionate support for clients and families during advanced illness. We focus on comfort, pain management support, emotional wellbeing and dignity.

Mobility Care

Specialised assistance with movement:
Falls prevention, Assisted walking,
Transfer support, Exercisouragement

Elderly & Senior Care

Holistic support for older adults to maintain independence, comfort and emotional wellbeing.
